### ORDER

As per the order read above, the Hon'ble Green Tribunal has issued the direction that the cities/towns where air quality is 'moderate' or below, only green crackers be sold and the timings for use and bursting of crackers be restricted to two hours during festivals like Diwali, Chatt, New Year/Christmas Eve etc. It is also directed that if nothing is specified by the State, timing will be 8 to 10 pm on Diwali and Gurupurb, 6 am to 8 am on Chatt and 11.55 pm to 12.30 am during Christmas and New Year eve.

It is informed that in Kerala ambient air quality index of the cities/towns has not gone below 'moderate' category as per the monthly average data between September 2023 and September 2024 and hence usage and bursting of green crackers can be allowed for 2 hours with the specified timing of 8 pm to 10 pm, during the Deepavali festival.

3. Government have examined the matter in detail and ordered to restrict the timings for use and bursting of firecrackers for a maximum

of two hours, between 8:00 pm and 10:00 pm on Deepavali, and between 11:55 pm and 12:30 am on Christmas and New Year. It is further ordered that only the sale of green crackers will be permitted in the State.
